Striving to make buying a home simple, easier and more enjoyable.

At Excel Homes, our mission is simple: to create a home-buying experience that delivers the most joy and value to our homeowners. For over 35 years, we've built over 15,000 homes in over 80+ communities and received over 75 awards for design and industry excellence. That experience has helped develop a refined homebuying experience that values your time, simplifies the big decisions, and minimizes any stress that can come with building a new home.

At Excel, the experience of building your home will be exciting, easy and memorable throughout the entire process.
