**Striving to make buying a home  
simple, easier and more enjoyable.**

At Excel Homes, our mission is simple: to create a homebuying experience that delivers the most joy and value to our homeowners. Since we first began in 1988, we've built over 12,000 homes and received over 50 awards for design and industry excellence. That experience has helped develop a refined homebuying experience that values your time, simplifies the big decisions, and minimizes any stress that can come with building a new home.

At Excel, the experience of building your home will be exciting, easy and memorable throughout the entire process.
